### **Bank robbery suspect Nathan Fischer taken into custody**

Bank robbery suspect Nathan Fischer was located and arrested over the weekend.

Fischer, 30, of no fixed address, is charged in a warrant in the January robbery of PNC Bank in the 3900 block of Ten Oaks Road in Glenelg.

At approximately 10:08 a.m. on Jan. 20, a man, later identified as Fischer, entered the bank, approached a teller and demanded money. The teller complied and provided an undisclosed amount of cash. The suspect then fled the bank. No one was injured.

Through investigation, police identified Fischer as the suspect. He was arrested over the weekend in another local jurisdiction and is being held there on unrelated charges.

At this time, detectives have not linked Fischer to any other bank robbery cases. The investigation is ongoing.
